Branding for Africa

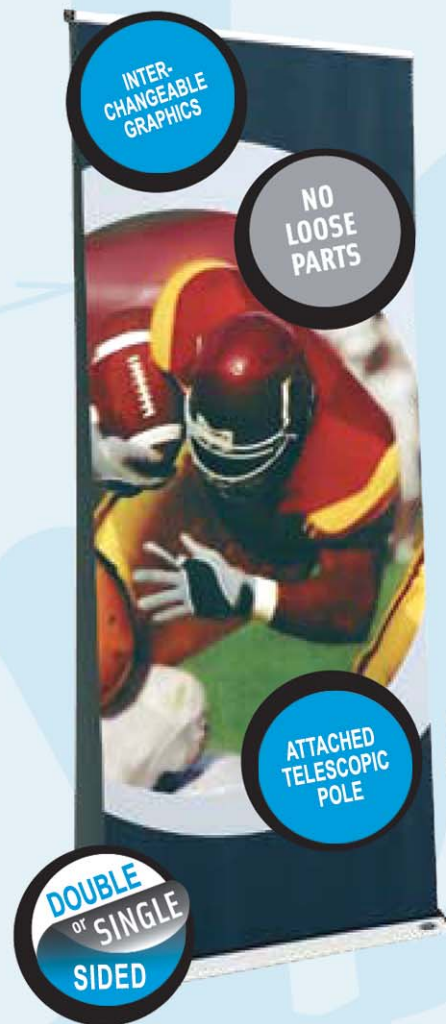

EX-ROLL BANNER STANDS

The Ex-Rolls' unique features set this rollup banner apart from any other. A spring-loaded mechanism in the base rolls the banner up and retracts it smoothly into the base of easy assembly and compact storage.

The Ex-Roll has a telescopic pole so the height of the banner can be easily adjusted. Most importantly the Ex-Roll has no loose parts!

PRODUCT ADVANTAGES

- No loose parts!
- Telescopic pole for easy height adjustment
- One hand lock and release on the telescopic pole
- Quick set up in less than a minute
- Double or single sided
- Non-curling fabric for a consistently flat image
- Top quality printing technology for brilliant colour graphics
- Offers a large print area for branding
- Takes up very little space
- Easy to change skins
- New skins can be purchased separately
- Carry bag included
- Exceptional quality and value
