EX-DOME

TRADITIONAL GAZEBO

- Domed canopy for extra brand exposure
- No internal beams for increased head room.
- 3m x 3m x 3.3m area gives 20% more area than a standard 2.8m x 2.8m gazebo.
- 3 cross-overs, instead of the traditional two for added strength.
- Smaller when folded so more compact for transporting.
- With custom-made extensions the legs can be extended to any height. The Ex-dome is the only gazebo which can accommodate a golf swing.
- Aircraft-grade aluminium gives added strength.
- Easy maintenance wherever you are. A spare part kit is included.
